Mr. McArthur:

I am in receipt of your letter requesting recalculation of your timesheet. The timesheet that was calculated on 12/6/2021 is correct with the Minimum Discharge Date of 6/5/2026. I will explain below how your time was calculated.

*You were granted parole on a contingency reason on 7/16/2020 so you could complete the "Thinking for Change" program. The time from your grant to your release is not considered a Sanction.

*You were released from incarceration to begin your parole term on 7/29/2020 from Huttonsville Correctional Center and Jail. You stopped earning good time on this date.

*You were incarcerated on 12/15/2020 at South Central Regional Jail and Correctional Facility for a 30-day Sanction. You earned good time for this incarceration.

*You were released from incarceration at South Central Regional Jail and Correctional Facility to parole on 1/15/2021. You stopped earning good time on this date.

*A warrant was issued for your arrest on 2/1/2021 for absconding from parole. This stopped all time and became dead time.

*You were arrested and incarcerated at South Central Regional Jail and Correctional Facility on 4/22/2021. You started earning good time on this date.

*You were revoked on your parole term on 11/30/2021. Your timesheet was calculated to include the dates listed above to give you a Minimum Discharge Date of 6/5/2026.

*You are eligible to see the Parole Board again on 4/1/2022.

If you have any further questions regarding this matter, you may write back to me at the address above for further information.
